LETTER FROM THE CHAIRMAN OF OCTAGONAL PLC

1 September 2017

To all Shareholders

Dear Shareholder

Proposed Capital Reduction and Notice of 2017 Annual General Meeting

1. Introduction

It is proposed that, at the forthcoming Annual General Meeting, the Company undertakes some special business in addition to the routine business of the AGM.

The Board is proposing to increase the Company's distributable reserves by way of the Capital Reduction, which will put the Company in a position where it can lawfully pay dividends out of distributable reserves or buy-back Ordinary Shares in the future.

The proposed Capital Reduction will consist of two elements: (i) the cancellation of the amount standing to the credit of the Share Premium Account; and (ii) the cancellation of all of the Deferred Shares in issue in accordance with the provisions contained in the Articles.

The purpose of this letter is to explain the background to the Capital Reduction, why the Directors unanimously consider the Capital Reduction to be in the best interests of the Company and Shareholders as a whole, and to seek Shareholders' approval for the Capital Reduction. In addition, this document contains details of other business to be conducted at the AGM.

2. 2017 Annual General Meeting

Notice of the Annual General Meeting of the Company is set out at the end of this document, with the AGM to be held at 2nd Floor, 2 London Wall Buildings, London EC2M 5PP at 11.00 a.m. on 27 September 2017.

In addition to routine business, the Board is asking Shareholders to approve certain items of special business at this year's AGM, including the Resolutions required to give effect to the Capital Reduction.

A summary and explanation of each of the Resolutions is set out in paragraph 4 (below) on pages 8 to 9. Please note that this is not the full text of the Resolutions and you should read paragraph 4 in conjunction with the Resolutions contained in the Notice of Annual General Meeting.

3. Capital Reduction

Background to, and reasons for, the Capital Reduction

At present, the Company does not have sufficient distributable reserves to pay dividends or buy-back Ordinary Shares. The Board therefore proposes that the Capital Reduction be effected in order to increase the distributable reserves of the Company, which will facilitate these actions should the Board consider it desirable in the future.

As at 31 March 2017, the Company had an accumulated deficit in its profit and loss account of

£2,702,000 and the balance standing to the credit of the Share Premium Account was £3,669,000. In addition, as at the Latest Practicable Date, the Company had 562,226,886 Ordinary Shares and 164,718,820 Deferred Shares in issue.

Share Premium Account

A share premium arises where a company issues shares at a premium to their nominal value. A premium (less any directly attributable transaction costs) is credited to a company's share premium account and is treated, in accordance with applicable law and accounting standards (including the Act), as a non-distributable capital reserve and part of the permanent capital of a company unless its reduction or cancellation is first approved by order of the Court.

With the approval of a company's shareholders, a company may, by way of a special resolution and subsequent confirmation by the Court, reduce or cancel its share premium account and in certain circumstances, credit some or all of such sum arising to its profit and loss account. To the extent that the release of such a sum from a share premium account creates or increases a credit on the profit and loss account, that sum represents distributable reserves of a company.

Deferred Shares

As a result of various historic capital re-organisations undertaken by the Company, the Company currently has 164,718,820 Deferred Shares in issue

The Directors consider that the Deferred Shares in issue have no economic value.

The Deferred Shares have limited rights under the Articles:

- (a) the holders of such shares are not entitled to receive any dividend payments from the profits of the Company which it may distribute and declare;
- (b) the holders of such shares are not entitled to receive notice of or attend general meetings and are not be entitled to vote at general meetings;
- (c) such shares confer a right to repayment to their holders of the amounts paid up or credited as paid up on them on a winding up or return of capital or otherwise in proportion to the number of such shares held after there shall have been distributed (in cash or in specie) to the holders of the Ordinary Shares the amount of £100,000,000 in respect of each Ordinary Share held by them respectively; and
- (d) the Company has the power and authority, subject to compliance with the provisions of applicable legislation, at any time after the adoption of the Articles, to cancel such shares by way of reduction of capital for no consideration.

In order to simplify the share capital of the Company, and as part of the Capital Reduction, the Directors have proposed Resolution 9 (as set out in the Notice of General Meeting) which is a Resolution for the cancellation of all of the existing Deferred Shares in issue.

Proposals

The Company is therefore seeking approval of the Shareholders to cancel the Share Premium Account and the Deferred Shares (in the manner set out below), which together will create realised profits for the Company of £4,492,594 and will, subject to any undertakings required by the Court (as explained below), be sufficient to eliminate the accumulated deficit in the Company's profit and loss account, and enable the Company to pay dividends or buy-back Ordinary Shares, should circumstances in

the future make it desirable to do so.

Accordingly, it is proposed that:

- the total amount standing to the credit of the Share Premium Account of £3,669,000 is cancelled; and
- the share capital of the Company of £1,104,707 divided into 562,226,886 Ordinary Shares and 164,718,820 Deferred Shares be reduced to £281,113, by the cancellation of all of the Deferred Shares in issue in the sum of £823,594.

As a result of the Capital Reduction, there will be no change to the number of Ordinary Shares in issue.

The rights attaching to the Ordinary Shares following the Capital Reduction will remain the same and the Ordinary Shares will continue to have voting, dividend and other rights as set out in the Articles.

Court approval

In addition to the approval by the Shareholders of Resolutions 8 and 9, the Capital Reduction requires the approval of the Court. Accordingly, following approval of the Capital Reduction by Shareholders, an application will be made to the Court in order to confirm and approve the Capital Reduction.

In seeking the Court's approval of the Capital Reduction, the Court is likely to require protection for the creditors (including contingent creditors) of the Company whose debts remain outstanding on the relevant date, except in the case of creditors which have consented to the Capital Reduction. Any such creditor protection may include seeking the consent of the Company's creditors to the Capital Reduction or the provision by the Company to the Court of an undertaking to deposit a sum of money into a blocked account created for the purpose of discharging the non-consenting creditors of the Company, or not to distribute reserves arising upon the Capital Reduction until such creditors have been discharged.

It is anticipated that the initial directions hearing in relation to the Capital Reduction will take place on 6 October 2017, with the final Court hearing taking place on 27 October 2017 and the Capital Reduction becoming effective on the following day, after the necessary registration of the Court order with the Registrar of Companies has taken place.

Shareholders should note that the Capital Reduction itself will not involve any distribution or repayment of capital or share premium by the Company and will not reduce the underlying net assets of the Company. The distributable reserves arising from the Capital Reduction will, subject to the terms of any undertakings required by the Court as explained above, enable the Company to pay dividends or buy-back Ordinary Shares in the future.

The Board reserves the right to abandon or to discontinue (in whole or in part) the application to the Court in the event that the Board considers that the terms on which the Capital Reduction would be (or would be likely to be) confirmed by the Court would not be in the best interests of the Company and/or the Shareholders as a whole. The Directors have undertaken a review of the Company's liabilities (including contingent liabilities) and consider that the Company will be able to satisfy the Court that, as at the date (if any) on which the Court order relating to the Capital Reduction and the statement of capital in respect of the Capital Reduction have both been registered by the Registrar of Companies at Companies House and the Capital Reduction therefore become effective, the Company's creditors will be sufficiently protected.

Following the Capital Reduction the Company will continue to meet the statutory requirement of having £50,000 minimum nominal value of issued share capital.

4. Annual General Meeting and Resolutions

You will find set out at the end of this document the Notice of the Annual General Meeting. Shareholders will be asked to approve nine Resolutions. An explanation of each of the Resolutions contained in the Notice of AGM is set out below.

Resolutions 1 to 5 are proposed as ordinary resolutions. For each ordinary resolution to be passed, more than half the votes cast must be in favour of the resolution. Resolutions 6 to 9 are proposed as special resolutions. For each special resolution to be passed at least three-quarters of the votes cast must be in favour of the resolution.

The Resolutions to be proposed at the AGM are as follows:

Resolution 1: Annual report and accounts

The Directors must present the Company's annual accounts and directors' and auditors' reports to shareholders at a general meeting. Those to be presented at the AGM are in respect of the year ended 31 March 2017, and are called the Annual Report 2017.

The Annual Report 2017 is available on the Company's website (www.octagonalplc.com). If you have elected to receive correspondence in hard copy, then a copy of the Annual Report 2017 will accompany this document. Should you wish to request a hard copy of the Annual Report 2017, you can do so by writing to the Company at 2nd Floor, London Wall Buildings, London EC2M 5PP.

Resolutions 2: Reappointment of director

Resolution 2 proposes the reappointment of John Gunn as a Director. This is in accordance with the Articles, which require that one-third of the Directors (or the number nearest to but not exceeding one-third) retire by rotation at each annual general meeting of the Company, with each Director also being subject to reappointment at intervals of not more than three years. The Director who is retiring by rotation is the person who has been a Director for the longest period of time since they were last appointed or reappointed by shareholders

Resolutions 3 and 4: Reappointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which its annual accounts and reports are presented to shareholders. Therefore, resolution 3 proposes the reappointment of Welbeck Associates as auditors (to hold office until the next annual general meeting of the Company), and, in accordance with normal practice, resolution 4 authorises the Directors to determine the auditors' remuneration.

Resolution 5: Authority to allot shares

Generally, directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by Shareholders.

Resolution 5 renews a similar authority given at last year's annual general meeting and, if passed, will authorise the Directors to allot shares in the Company (and to grant such rights) up to an aggregate nominal amount of £100,000 (which represents approximately 36% of the issued ordinary share capital of the Company as at the Latest Practicable Date).

If given, this authority will expire at the conclusion of the Company's next annual general meeting or on 31 December 2018 (whichever is the earlier). It is the Directors' intention to renew the allotment authority each year.

As at the Latest Practicable Date, no Ordinary Shares are held by the Company in treasury. The Directors have no current intention to exercise the authority sought under resolution 5.

Resolution 6: Disapplication of pre-emption rights

Generally, if directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Act) for cash, then under the Act they must first offer such shares or securities to shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by shareholders.

Resolution 6, which will be proposed as a special resolution, renews a similar power given at last year's annual general meeting and, if passed, will enable the Directors to allot equity securities for cash without having to comply with statutory pre-emption rights, but this power will be limited to allotments:

- (a) in connection with an open offer or other pre-emptive offer to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the directors consider necessary; and
- (b) in any other case, up to an aggregate nominal amount of £100,000.

The Directors intend to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period. The Principles provide that a company should not issue shares representing more than 7.5 per cent of its issued ordinary share capital for cash in any rolling three-year period, other than on a pre-emptive basis, without prior consultation with shareholders. The Directors have no current intention to exercise the authority sought under resolution 6.

If given, this power will expire at the conclusion of the Company's next annual general meeting or on 31 December 2018 (whichever is the earlier). It is the Directors' intention to renew this power each year.

Resolution 7: Purchase of own shares

This resolution grants the Company the ability to purchase its own shares. The authority will be limited for the Company to make market purchases of up to 28,111,344 Ordinary Shares, representing the nominal value of 5% of the Company's issued ordinary share capital as at the Latest Practicable Date. The authority will be kept under review and the Company will only exercise the power of purchase after careful consideration and in circumstances where the Company is satisfied that it is in the best interests of the Company. The authority granted by this resolution will expire at the conclusion of the Company's next annual general meeting or on 31 December 2018 (whichever is the earlier). It is the Directors' intention to renew this power each year.

Resolutions 8 and 9: Capital Reduction

Pursuant to resolutions 8 and 9, which will be proposed as special resolutions, it is proposed that:

- the total amount standing to the credit of the Share Premium Account of £3,669,000 is cancelled; and
- the share capital of the Company of £1,104,707 divided into 562,226,886 Ordinary Shares and 164,718,820 Deferred Shares be reduced to £281,113, by the cancellation of all of the Deferred Shares in issue in the sum of £823,594.

Further details in respect of the Capital Reduction are set out in paragraph 3 of this document.

5. Action to be taken

Shareholders will find enclosed with this document a Form of Proxy for use at the Annual General Meeting. To be valid, the Form of Proxy, completed in accordance with the instructions

thereon, should be returned as soon as possible but, in any event, so as to be received by Share Registrars Limited, The Courtyard, 17 West Street, Farnham, Surrey, GU9 7DR at least 48 hours before the time appointed for the meeting. CREST members can also appoint proxies by using the CREST electronic proxy appointment service. The completion and return of a Form of Proxy (or the submission of any CREST appointment) will not prevent Shareholders from attending and voting in person at the Annual General Meeting should they wish to do so.

The proposals can only be implemented if the Resolutions are approved by the requisite majority at the Annual General Meeting and the Capital Reduction is confirmed by the Court. It is therefore important that you either vote in person or by proxy at the General Meeting.

6. Recommendation

The Board considers that the Resolutions to be proposed at the AGM are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the Resolutions set out in the Notice of the Annual General Meeting as the Directors intend to do so in respect of their own beneficial shareholdings.

Whether or not you are able to attend the Annual General Meeting in person, please read the Notice of the Annual General Meeting and the enclosed Form of Proxy, including the notes thereto, to ensure you are able to record your votes in respect of the Resolutions to be proposed at the Annual General Meeting.

Yours faithfully

John Gunn
Chairman

Notes

Entitlement to attend and vote

1. The right to vote at the meeting is determined by reference to the Company's register of members. Only those shareholders registered in the register of members of the Company as at 11.00 a.m. on 25 September 2017 (or, if the meeting is adjourned, 11.00a.m. on the date which is two business days before the date of the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the meeting.

Proxies

2. A shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend and to speak and vote at the meeting. A proxy need not be a shareholder of the Company.

A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the shareholder may result in the proxy appointment being invalid.

A proxy may only be appointed in accordance with the procedures set out in notes 3 to 4 below and the notes to the proxy form.

The appointment of a proxy will not preclude a shareholder from attending and voting in person at the meeting.

3. A form of proxy is enclosed. When appointing more than one proxy, complete a separate proxy form in relation to each appointment. Additional proxy forms may be obtained by contacting the Company's registrar at Share Registrars Limited, The Courtyard, 17 West Street, Farnham, Surrey GU9 7DR or the proxy form may be photocopied. State clearly on each proxy form the number of shares in relation to which the proxy is appointed.

To be valid, a proxy form must be received by post or (during normal business hours only) by hand at the offices of the Company's registrar, no later than 11.00a.m. on 25 September 2017 (or, if the meeting is adjourned, no later than 48 hours (excluding any part of a day that is not a business day) before the time of any adjourned meeting).

4. CREST members who wish to appoint a proxy or proxies for the meeting (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Share Registrars Limited no later than 11.00a.m. on 25 September 2017 (or, if the meeting is adjourned, no later than 48 hours (excluding any part of a day that is not a business day) before the time of any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Share Registrars Limited is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular

time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

5. A shareholder which is a corporation may authorise one or more persons to act as its representative(s) at the meeting.
